Dr. Ashok Karamia Profile

Vice President - Agentic AI Strategy & Sales, WinWire Technologies

Dr. Ashok Karamia (“Ash”) is an entrepreneurial business and technology leader with over two decades of experience in strategy, innovation, and global partnerships.

As Vice President – Agentic AI Strategy & Sales at WinWire Technologies, he helps enterprises reimagine their future through transformative AI initiatives that deliver measurable business impact.

Previously, Ash led global growth at Infostretch (Apexon), a Goldman Sachs–backed firm, and founded Ignite, its award-winning philanthropy program.

A TEDx speaker, startup mentor, and advisor to social enterprises, he holds a PhD in Business Policy and finds joy in books, travel, cinema, music, and philosophy.
